Two overnights will be in Peschiera del Garda, a lively village, recently listed as a UNESCO Heritage Site thanks to its majestic Venetian walls that surround the old town. Hilly countryside, ancient villages, large vineyards, olive groves and the beautiful coastline: there is a lot to see in this short escape, by bike.

### Day 2 – From Verona to Peschiera – 52 km

Custoza area is a charming and authentic region. The itinerary heads out of Verona and discovers roads flanked by elegant cypresses surrounded by vineyards and small rolling hills. The route goes slightly up and down until the panoramic Custoza hill, overlooked by a high obelisk, built for commemorating the soldiers that died here during the Italian Independence wars.

The road takes you to Borghetto sul Mincio, a real-life fairytale village that features beautiful watermills, a castle and a massive fortified bridge. The not-to-be-missed local dish is tortellini. Finally, you'll reach Peschiera del Garda following the river Mincio bike path.  
Overnight in Peschiera.

### Day 3 – Sirmione and Lugana – 45 km

The itinerary explores the area where the famous Lugana wine is produced: secondary quiet roads, small villages and famous borgos, such as the unique Sirmione. Take the time to explore the village, known as Lake Garda's gem!  
The road heads then inland, among vineyards and open fields, until the tower of San Martino della Battaglia, symbol of the Italian Risorgimento, and then eventually goes back to the Hotel. Overnight in Peschiera.

### Day 4 – From Peschiera to Verona – 51 km

Looking for the best spots to enjoy the Lake's panoramas, the itinerary goes inland and crosses some typical villages such as Colà, famous for the hot springs. Then it heads to the lake shore reaching Lazise.  
You'll cycle along the coast until Bardolino. Take time to enjoy the relaxing atmosphere of these villages, walk their docks, enjoy a gelato.  
From now on the ride goes back inland and gets back to Verona following a flat bike path by a canal.
