04 - SELF GUIDED BIKE TOUR

Verona and Valpolicella wines

Savour the Veronese wines, meet the producers and discover the terroirs, by bike

Italian inbound tour operator

An intense trip that allows to appreciate the wines with all your senses, directly by the producer by smelling and tasting the wine and feeling the terroir directly on your skin cycling among the vineyards. Three easy itineraries, away from the car traffic as much as possible to discover three great wines: Valpolicella (with its older version of Amarone della Valpolicella), Soave and Bardolino and the beautiful landscapes of Valpolicella, the eastern valleys and Lake Garda.

The wineries are carefully selected basing on the quality of their wines and the beauty of the surrounding landscape.

PROGRAM

5 days

max 67 Km/day

Day 1 – Individual arrival in Verona

Individual arrival in Verona, meet& greet and bike fitting. Overnight in Verona.

Day 2 – Valpolicella Classica and its wines – 50 km / + 400 m

In this route you'll explore the classic area of production of Valpolicella wine. You'll leave the city behind cycling on a beautiful bike path, then we head towards the hills of Valpolicella. You'll follow country roads through the vineyards, passing close to ancient rural house and elegant Venetian Villas: some of them are nowadays prestigious wineries and the visit of one of them is a great wine and cultural experience. Let's stop and take a sip! You'll then cycle back to Verona flanking beautiful hills and the classic Valpolicella terraces, finally heading back to the city centre following the river Adige. Overnight in Verona.

Day 3 – Soave and its wines – 53 km / + 760m

You'll cross the city centre and follow country roads that flank small streams of clear water, until you get to the green valleys in the Eastern side of Verona. In order to look for the best panoramic spots and to avoid bigger roads, you'll climb the green hills around Verona. Let's discover here the fresh Soave wine at a small winery in the countryside! After the tasting, let's ride back to Verona. Overnight in Verona.

Day 4 – Lake Garda and Bardolino wines – 67 km / + 500 m

The itinerary goes West along a safe bike path that leads you to the countryside, cultivated with large fields of peach and kiwi trees. The route gains altitude and reaches the hills from where you can enjoy beautiful views over Valpolicella and the mountains. You'll reach Lake Garda and the villages of Bardolino and Lazise. Once you leave the lake shore, stop at a winery to taste the local Bardolino wine. Overnight in Verona.

Day 5 – Departure
